

SNAPS AIR MONITORING IN BALDWIN HILLS

We need your voice! Join us as we seek to understand air quality and its impact on your community.

Baldwin Hills is the second community to host air monitoring as part of the Study of Neighborhood Air near Petroleum Sources (SNAPS) being conducted by the California Air Resources Board (CARB).

Public input is critical to the success of this study, and we want to hear from you! Be a part of this opportunity to collaborate with CARB staff as we study air quality near Baldwin Hills.

CARB will host two meetings in communities near the Inglewood Oil Field:

TUESDAY, FEBRUARY 11, 2020 | 7:00-9:00 PM

Knox Presbyterian Church, Fellowship Hall
5840 La Tijera Blvd, Los Angeles, CA 90056

WEDNESDAY, FEBRUARY 12, 2020 | 7:00-9:00 PM

Culver City Senior Center, Room B47
4095 Overland Ave, Culver City, CA 90232

We will discuss a short-list of potential monitoring sites, a health analysis overview, ways for community members to get involved in the study, and next steps.

For more information, call Kathleen Kozawa at (916) 327-5599 or visit:

arb.ca.gov/our-work/programs/study-neighborhood-air-near-petroleum-sources

This is the second in a series of Baldwin Hills meetings under the SNAPS program.

SNAPS MONITOREO DE AIRE EN BALDWIN HILLS

¡Su voz importa! Reúnase con nosotros para aprender más sobre la calidad del aire, y su impacto en su comunidad.

Baldwin Hills es la segunda comunidad designada para monitoreo del aire como parte del Estudio de Aire en Vecindarios Cerca a Fuentes de Petróleo (SNAPS) será realizado por el Consejo de Recursos del Aire de California (CARB).

El aporte del público es crítico para el éxito de este estudio. ¡Queremos conocer sus opiniones sobre este estudio! Aprovechese de esta oportunidad para colaborar con el personal de CARB, mientras estudiamos la calidad del aire cerca de Baldwin Hills.

CARB organizará dos reuniones en comunidades cercanas al campo petrolífero de Inglewood:

MARTES 11 DE FEBRERO DE 2020 7:00-9:00PM

Knox Presbyterian Church, Fellowship Hall
5840 La Tijera Blvd, Los Ángeles, CA 90056

MIÉRCOLES 12 DE FEBRERO DE 2020 7:00-9:00 PM

Culver City Senior Center, Sala B47
4095 Overland Ave, Culver City, CA 90232

Discutiremos una breve lista de posibles sitios de monitoreo, una descripción general del análisis de salud, formas en que los miembros de la comunidad pueden participar en el estudio y los próximos pasos.

Para más información, llame a Kathleen Kozawa at (916) 327-5599, o visite la página: arb.ca.gov/our-work/programs/study-neighborhood-air-near-petroleum-sources

Esta es la segunda de una serie de reuniones en Baldwin Hills sobre el programa SNAPS.
