

Proposition 1B: Goods Movement Emission Reduction Program

Hints & Tips:

Prepare for the Upcoming Competitive Goods Movement Program Solicitation (March/April 2011)

Clear Outstanding Vehicle or Fleet ARB Violations

Gather DMV Registration History (2 Years)

Gather and Organize Mileage Documentation (2 Years)

- Service receipts with odometer readings
- Tax forms and/or fuel receipts

Determine Gross Vehicle Weight Rating (GVWR)

- Class 8 defined as greater than 33,000 GVWR
- Class 7 defined as 26,001 – 33,000 GVWR
- Typically found on door tag

Research Engine Emission Levels and New Truck Options

- Class 8 must be replaced with a Class 8
- Class 7 must be replaced with a Class 7
- Check with dealers or ARB website for list of qualifying engines
(<http://www.arb.ca.gov/gmbond>)

Maintain Current Registration

Maintain Truck in Legal Operating Condition

Contact Local Agency with any Questions
