

**SUMMARY OF EXECUTIVE ORDERS FOR DIESEL AND CNG/LNG ENGINE CERTIFICATION DATA
HHD FOR CLASS 7 (GVWR 26,001 - 33,000 LBS) AND CLASS 8 (GVWR 33,001 LBS OR GREATER) TRUCKS
(updated September 2, 2014)**

A summary of engines **not eligible** for funding under the Proposition 1B Program Guidelines is provided in this Table. The list has been created from the Executive Orders published on the Air Resources Board (ARB) website (<http://www.arb.ca.gov/html/eo.htm> and select number series A). This Table will allow various entities participating in the Program to view a list of engines that are **not eligible** for projects funded by this Program. Though staff will work to update the Table to provide the most current information, it is the responsibility of the applicant to ensure that the truck uses a certified engine (from the most current Executive Order on ARB's website). Any questions related to the engine eligibility may be directed to the appropriate trade corridor liaison for the Proposition 1B Program at ARB.

Class 7 and 8 trucks are required to be equipped with a MY2010 or newer engine.								
Engine Model Year	Manufacturer	Engine Family	Fuel Type	NOx FEL or STD	NOx CERT	PM CERT	BHP Range	Executive Order #
0.20 NOx (2010 Level)

DISCLAIMER: The purpose of the summary above is to provide a quick reference to an applicant applying for Proposition 1B funds to check if an engine being funded by the Program is eligible for the subsidy. The Air Resources Board has made reasonable efforts to ensure the accuracy of the summary and to keep it as current as possible. However, the applicant has the final responsibility to ensure that their engine choice has been certified by the most recent Air Resources Board Executive Order to meet the Program requirements. The Air Resources Board accepts no liability for the content of the summary, or for the consequences of any actions taken on the basis of the information provided in the summary.

For questions regarding this list please contact the Goods Movement Hotline at (916)444-6637 or gmbond@arb.ca.gov.
