

**Proposition 1B: Goods Movement Emission Reduction Program
Local Public Entity Registration Form for FY2015-16 (Year 5) Funds**

Returning Applicants

Local public entities that have successfully registered as local agencies for the past funding cycle do not need to resubmit registration information. Instead these entities must provide a letter of intent to compete for funding for the Year 5 funds and verify that the information that was previously provided to the Air Resources Board is current.

After the information stated above is received by the Goods Movement Emission Reduction Program (Program), the local agency will receive a username and password to access the Program's Goods Movement Online Database for each funding category requested. More information can be found in Chapter III – Section A of the Program Guidelines which are available at <http://www.arb.ca.gov/gmbond>.

Instructions

Please submit the following:

1. A letter of intent to the Goods Movement Emission Reduction Program from the Grant Program manager stating that this previously registered local agency wants to compete for Program funds for the Year 5 funding cycle. This letter must detail all funding categories (heavy duty diesel trucks, locomotives and rail yards, ships at berth and cargo handling equipment, commercial harbor craft, and transport refrigeration units) for which the local agency wishes to compete for funds.
2. Your ARB trade corridor liaison will provide a copy of the information that was previously submitted to the Program for the last funding cycle. Please review and update this information including providing information for the transport refrigeration unit category.
3. Return this information to gmbond@arb.ca.gov, no later than 5:00 p.m. on **Monday July 20, 2015**.
4. Please indicate, "ACCOUNT REGISTRATION" on the subject line.
5. Attach any additional files to the email response as necessary.

Questions

Please contact Program staff: Mr. Trideep Ghosh at (916) 323-5455. You may also e-mail Program staff at gmbond@arb.ca.gov.
