

# Climate Change Awareness Fortune Teller

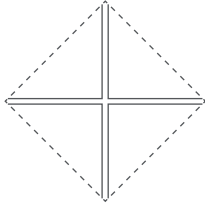

Carefully tear off the top portion of this sheet along the dotted line. Next, make sure the **color side** is facing down and with help from an adult, make small cuts with scissors, then follow the instructions.

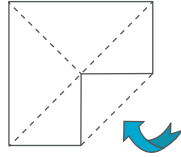

Fold square in half along the diagonal in both directions.

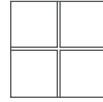

Lay square flat again and fold up all four corners to meet in the middle.

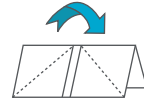

It should now look like this. Flip it over.

Fold up all four corners so that the points meet in the middle.

It should now look like this.

Now fold the top back.

Work your fingers into the four corners from the fold side - work the creases to form the four points.

# Climate Change Awareness Fortune Teller | HOW TO PLAY

- 1 Place your thumbs and index fingers inside the pointed corners.
- 2 Pick a number between 1-4 and count to the number while alternating a pinch and pull motion with your fingers.
- 3 After counting to the first number, the Fortune Teller will show a second set of numbers.
- 4 Pick one of the four numbers shown; count to that number and repeat the pinch and pull motion.
- 5 Pick one of the numbers shown and open the flap to reveal a climate change statement.

Carefully tear here 

## About Us

California Climate Investments is taking action against climate change by investing billions of dollars on projects that reduce greenhouse gases and benefit our communities. Programs help to build sustainable communities through affordable and efficient housing, transit, walking and biking improvements, electric vehicles and equipment, making renewable energy, recycling and composting programs, planting trees, conserving and restoring natural lands, and much more.
