**Note:** A separate Early Action Desk Review Findings must be provided for each Offset Project Data Report (Reporting Period) for which an Early Action Verification Report and Offset Verification Statement is being reviewed.

### Part III. DESK REVIEW FINDINGS

1. Were the previously provided offset verification services sufficient to render a reasonable assurance to support the issuance of early action offset credits by the Early Action Offset Program?  
   - Yes  
   - No

2. Were the data checks conducted by the offset verification body for the Early Action Offset Program calculated correctly and demonstrate the early action offset project data report meets the applicable quantitative materiality threshold as set forth in the early action quantification methodology?  
   - Yes  
   - No

3. Does this verification body conclude with reasonable assurance that it concurs that a positive verification statement should have been issued based on the Early Action Verification Report and the Offset Verification Statement submitted to the Early Action Offset Program for the applicable Offset Project Data Report year?  
   - Yes  
   - No

**If the verification body answered no to any of the three questions above, please do not sign the attestation in Part IV. Please provide a report to ARB that explains the reasons for your findings and provide your signature here in Part III.**
