2.1 Air Pollution Control Officer (APCO)

The Air Pollution Control Officer for the Monterey Bay Unified Air Pollution Control District.

2.2 District

The Monterey Bay Unified Air Pollution Control District (MBUAPCD) doing business as Monterey Bay Air Resources District.

2.3 In-Use Diesel Engine

A diesel engine that is not a New Diesel Engine.

**MONTEREY BAY AIR RESOURCES DISTRICT
REGULATION III
FEES**

2.4 New Diesel Engine

A diesel engine that is purchased on or after March 1, 2008.

2.5 Owner or Operator

Any person subject to the requirements of this Rule, including but not limited to:

2.5.1 an individual, trust, firm, joint stock company, business concern, partnership, limited liability company, association, or corporation including but not limited to, a government corporation; and

2.5.2 Any city, county, district, commission, the state or any department, agency, or political subdivision thereof, any interstate body, and the federal government or any department or agency thereof to the extent permitted by law.

PART 3 REQUIREMENTS

3.1 Application Fees

3.1.1 Every applicant for an in-use diesel engine registration shall pay the following fees:

3.1.1.1 The application fee for the first engine plus a reduced fee for each additional engine registered to the same owner or operator as set forth in Rule 301, Table 1 Agricultural Diesel Engine Registration Fees.

3.1.2 Every applicant for a new diesel engine registration shall pay the application fee for the first engine plus a reduced fee for each additional engine registered to the same owner or operator as set forth in Rule 301, Table 1 Agricultural Diesel Engine Registration Fees.

3.2 Annual Registration Fees

The owner or operator of each individual operational diesel engine which is registered shall pay an annual registration fee as set forth in Rule 301, Table 1 Agricultural Diesel

**MONTEREY BAY AIR RESOURCES DISTRICT
REGULATION III
FEES**

Engine Registration Fees. The owner or operator of each individual non-operational diesel engine which is registered shall pay an annual registration fee as set forth in Rule 301, Table 1 Agricultural Diesel Engine Registration Fees.

These fees will be billed annually in the month of July and shall be due and payable 60 days after a statement is issued by the District.

In the event all or part of the fee prescribed in the statement is not paid in accordance with these provisions within this 60-day period, the penalties prescribed by Section 4.2 of this Rule shall apply.

3.3 Transfer of Interest, Name Change, or Change of Location Fees

The fee for transfer of interest, name change, or changing the location of a registered diesel engine shall be assessed in accordance with Rule 301, Table 1 Agricultural Diesel Engine Registration Fees.

PART 4 ADMINISTRATIVE REQUIREMENTS

4.1 Information Requests

All owners or operators subject to this Rule shall complete any Information Requests provided by the District within the time period specified in the Request. Failure to timely complete and submit the Request may result in suspension of the Registration.

4.2 Registration Fee Penalties

If any fee payment required pursuant to Part 3 of this Rule is not submitted within 60 days of the issuance date of the District's billing statement, it shall be considered delinquent, and penalties for the delinquency shall be imposed as set forth below.

4.2.1 For purposes of this Part any fee payment shall be considered to be timely if it is postmarked on or before the 60th day following the statement issuance date. If the 30th day falls on a Saturday, Sunday, or holiday, the fee payment may be postmarked on the next business day with the same effect as if it had been postmarked on the 60th day.

4.2.2 If no fee payment is submitted within the time prescribed by Section 4.2.1, a delinquency penalty of 25 percent of the amount of the billed fee, to a maximum of \$5,000, shall be added to the amount of the fee due.

**MONTEREY BAY AIR RESOURCES DISTRICT
REGULATION III
FEES**

- 4.2.3 If a fee payment is timely paid, but the tendered amount is less than the amount due, the payment shall not be accepted, and the time for proper payment continues to run.
- 4.2.4 If a fee payment is delinquent and the fee plus the delinquency penalty is not received within 90 days of the issuance date of the District's billing statement, the delinquency penalty shall be increased to 50 percent of the original amount due, to a maximum of \$7,500.
- 4.2.5 If, in the case of a failure to pay the annual fees required pursuant to Part 3, the delinquent annual fees plus penalties assessed pursuant to Section 4.2.4 are not submitted within 120 days of the issuance date of the District's billing statement, the Registration shall automatically expire for failure to renew. In such case, the District shall immediately notify the Owner or Operator that the Registration has expired and that further operation of the equipment without a valid registration is prohibited. Such expiration shall not preclude the Owner or Operator from submitting an application for a replacement Registration, although the delinquent fee and penalty shall become an obligation owing to the District, which may be recovered along with any Registration fee from such new application.

4.3 Extension of Payment Period by the APCO

The payment period for fee payment required pursuant to Part 3 of this Rule may be extended for extraordinary circumstances at the discretion of the Air Pollution Control Officer (APCO). The adequacy of cause to extend the period shall be decided on a case-by-case basis by the APCO.

4.4 Waiver of Penalty by the APCO

The penalty for fee delinquency may be waived for extraordinary circumstances at the discretion of the APCO, provided that there have been no prior delinquencies. The adequacy of cause to waive the penalty shall be decided on a case-by-case basis by the APCO.
