

Welcome to the new CARB Air Quality Training System. Here are the steps you'll need to take to start using to the new system.

Step 1: Log-in

Using the link below, go to our Training homepage and click on the “Log in” button:

arb.ca.gov/training

When the page opens you will see the Login Page.

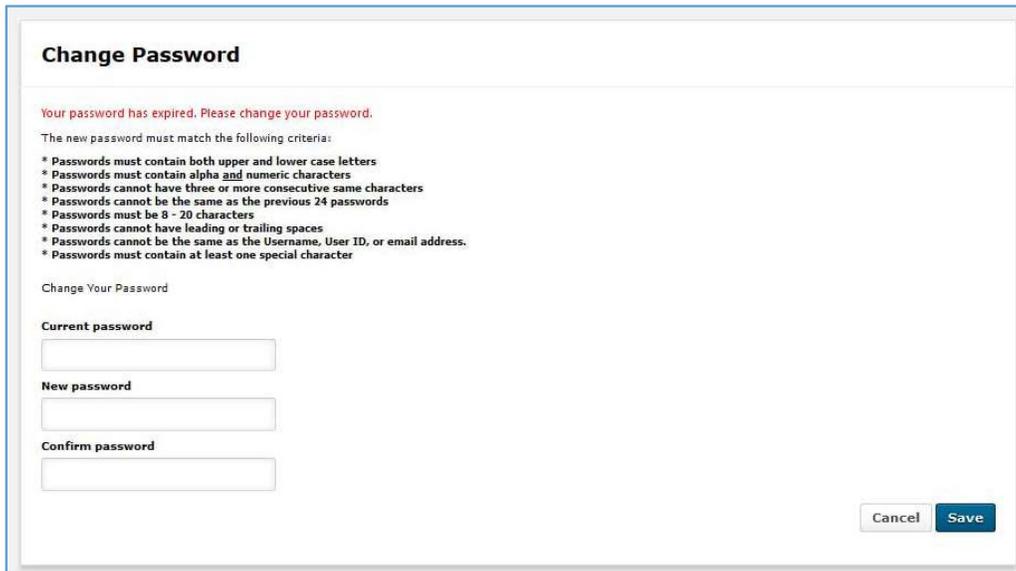

You will be asked to enter your email and password. Your email address serves as your user name. Your temporary password is **P4ssw0rd**. (The '0' is the number zero, not the letter O). If this does not work, call or email the training registrar (see the bottom of page 2 for contact information). **Note:**

- If you are a returning user, you already have an account. If you have trouble logging in following these instructions, please contact the registrar. Do not create a new account!
- CARB staff: Use your long-form email address, firstname.lastname@arb.ca.gov

Step 2: Change your Password

The first thing that you'll be asked to do once you've logged in using the temporary password, is to change your password. The password criteria are shown at the top of the page.

Your password has expired. Please change your password.

The new password must match the following criteria:
