

Email to DOORS Fleets designated as operating in Captive Attainment Areas

Date Sent: August 10, 2012

Subject: Off-road Diesel Captive Attainment Area Fleet

Dear Off-Road Diesel Vehicle Captive Attainment Area Fleet,

Thank you for reporting your off-road diesel vehicles in the Diesel Off-Road Online Reporting System (DOORS) for the Air Resources Board's Off-Road Diesel Vehicle Regulation. You are receiving this email because you have indicated that your equipment is operating strictly within a Captive Attainment Area. Captive Attainment Area Fleets are fleets or fleet portions in which all of the vehicles operate exclusively within the following counties: Alpine, Colusa, Del Norte, Glenn, Humboldt, Lake, Lassen, Mendocino, Modoc, Monterey, Plumas, San Benito, San Luis Obispo, Santa Barbara, Santa Cruz, Shasta, Sierra, Siskiyou, Trinity, Tehama, Yuba, and the portion of Sonoma County that lies within the boundaries of the North Coast Air Basin. Captive attainment area fleets are treated as small fleets even if their total horsepower (hp) exceeds the small fleet threshold of 2,500 hp.

By January 1, 2013, the Equipment Identification Number (EIN) labels on vehicles owned by captive attainment area fleets must be changed to white on a green background (rather than white on a red background), and BOTH sides of each vehicle must be labeled. Because captive attainment area fleets are potentially subject to lesser compliance requirements than those fleets operating in surrounding areas, the labels on vehicles owned by captive attainment area fleets must be changed in order to differentiate them from other vehicles not eligible for this provision.

Additional information regarding these new labeling requirements is available in our regulatory advisory at <http://www.arb.ca.gov/msprog/ordiesel/regadv/adv1208.pdf>. You may also view our Labeling Frequently Asked Questions (FAQ) document for information about labeling specifications and a list of vendors that have demonstrated that they can meet the labeling specifications:

<http://www.arb.ca.gov/msprog/ordiesel/faq/faq-labeling.pdf>.

If you have any questions regarding off-road reporting or labeling please contact the DOORS hotline at (877) 59-DOORS (877-593-6677) or by email at doors@arb.ca.gov.

Sincerely,

ARB Off-Road Implementation Staff
