This webinar provides instructions for navigating and reporting several different actions in DOORS, which is the online reporting tool for the Off-Road Regulation. The webinar is specific to the off-road diesel reporting using DOORS. It will not cover reporting functions for the Large Spark-Ignition (LSI)

Engine Fleet Requirements Regulation (LSI Fleet Regulation). The webinar will cover the following topics:

1. Overview of the Compliance Snapshot.
2. How to report engine repowers.
3. How to report low-use vehicles.
4. How to report public funding.
5. How to complete annual reporting.

After registering, you will receive a confirmation email containing information about joining the webinar. If you have any questions, please contact [Olivia Lane](#) at (916) 322-2646.

CLEARING CALIFORNIA SKIES FOR 50 YEARS

CARB is the lead agency for California's fight against climate change, and oversees all air pollution control efforts in the state to attain and maintain health-based air quality standards. Learn more at www.arb.ca.gov.
