Dear Fleet Owner,

Thank you for reporting your off-road diesel vehicles in the Diesel Off-road Online Reporting System (DOORS) for the In-Use Off-Road Diesel Vehicle Regulation (Off-Road Regulation). We noticed that the contact name listed for your account is not an actual person's name, but rather the company name, a department, or an abbreviation. We ask that you list a specific contact person for your fleet (e.g., someone that does the reporting for your off-road vehicles and keeps track of your DOORS account). Doing so will help ensure we can effectively communicate with the appropriate representative for your company/agency when there are questions or concerns regarding your DOORS account or when we have important information to share regarding the Off-Road Regulation. To change the contact name in your account, please log into your DOORS account, select "Edit Contact" and enter the appropriate contact name. If you have any questions regarding this notice or the Off-Road Regulation's reporting requirements, please contact the DOORS hotline at 1-877-59DOORS (1-877-593-6677).

Thank you,

Off-Road Implementation Staff
