

Email to DOORS Large fleets that completed their Annual Reporting requirement

Date Sent: April 30, 2013

Subject: 2013 ROAR Confirmation

Dear Fleet Owner/Contact,

Thank you for submitting your 2013 Responsible Official Affirmation of Reporting (ROAR) as part of the Off-Road Diesel Vehicle Regulation's annual reporting process. This email is a confirmation that we received your ROAR and have processed it in DOORS. If you are responsible for more than one off-road fleet, you should receive one of these confirmation emails for each fleet for which you submitted a ROAR.

Please note that this may be the second confirmation email you have received; we were having some issues with the automated email system in DOORS and we are sending this out to all fleets that submitted their 2013 ROAR (in case you didn't receive a confirmation already).

If you have any questions, please contact the DOORS Hotline at 1-877-59DOORS (1-877-593-6677) or reply to this email.

Sincerely,
Off-Road Implementation Staff
