

## **Email to large DOORS fleets that have not sent ROARS**

**Date Sent: April 15, 2014**

**Subject: Off-Road Diesel Vehicle Regulation – 2014 ROAR Reminder**

Dear Fleet Owner,

You are receiving this e-mail because we have not received your completed Responsible Official Affirmation of Reporting (ROAR), which was required per the California Air Resources Board's Off-Road Regulation by March 1, 2014. March 1, 2014 was the annual reporting deadline for all large fleets (those with off-road vehicles totaling over 5,000 horsepower OR State/Federal agency fleets, regardless of total horsepower). Please submit your completed ROAR to us by e-mail, mail, or fax as soon as possible. Please note that every day you delay in submitting the required report increases your exposure to enforcement action.

The ROAR form can be found in your Diesel Off-Road Online Reporting System (DOORS) account after you have selected your fleet name, or at [http://www.arb.ca.gov/msprog/ordiesel/documents/doors/roar\\_form.pdf](http://www.arb.ca.gov/msprog/ordiesel/documents/doors/roar_form.pdf).

For more information regarding the ROAR and annual reporting requirements, please see our regulatory advisory at <http://www.arb.ca.gov/msprog/ordiesel/regadv/adv1202.pdf> and our Frequently Asked Questions (FAQs) on ROARs at [http://www.arb.ca.gov/msprog/ordiesel/faq/roar\\_faq.pdf](http://www.arb.ca.gov/msprog/ordiesel/faq/roar_faq.pdf).

If you have any questions regarding the Off-Road Diesel Vehicle Regulation, please contact us on the DOORS Hotline at 1-877-59-DOORS (1-877-593-6677) or by email at [doors@arb.ca.gov](mailto:doors@arb.ca.gov).

Thank you,  
ARB Off-Road Staff
