(b) Change of Facility Ownership. When the ownership of a facility changes, whether by merger, acquisition, or any other means, the successor entity after the change in ownership is expressly liable for the unsurrendered compliance obligation of the predecessor covered entity that is party to the change in ownership transaction. For the avoidance of doubt, the unsurrendered compliance obligation of the predecessor covered entity consists of the quantity of verified reported emissions, assigned emissions, and emissions that have been released from the subject facility but not reported yet for which the covered entity would be required to submit compliance instruments to CARB absent the change of ownership, but that the covered entity has not surrendered to CARB at the time of the change of ownership. Subarticle 7 compliance requirements are interpreted and enforced in light of the successor entity being expressly liable for the unsurrendered compliance obligation of the predecessor covered entity. When the ownership of a facility changes, the following information must be submitted to CARB within 30 calendar days of finalization of the ownership change:

§ 95911. Format for Auction of California GHG Allowances.

(c) Method for Setting the Auction Reserve Price.

(3) The Auction Administrator will calculate the Auction Reserve Price using the following procedure:

(D) The Auction Reserve Price in Canadian dollars shall be the highest of the minimum prices set and published or posted in Canadian dollars in any jurisdiction operating an External GHG ETS to which California has linked pursuant to subarticle 12. Canadian dollar Auction Reserve Price for the previous calendar year increased annually by 5 percent plus adjusted in the manner provided for in section 83.3 of the Financial Administration Act (R.S.Q., c. A-6.001) of Quebec.
