SUMMARY OF REGULATORY ACTION

-----  
This action updates six existing stationary source test methods incorporated by reference, and adopts a new incorporated test method, Determination of Multiple Metals in Emissions from Stationary Sources. These test procedures determine compliance with Board and local air pollution control district nonvehicular emission standards.

OFFICE OF ADMINISTRATIVE LAW DECISION

-----  
OAL approves this regulatory action.

REASON FOR DECISION

-----  
This regulatory action meets all applicable legal requirements.
