**§ 60007. Response to Environmental Assessment.**

(a) If comments are received during the evaluation process which raise significant environmental issues associated with the proposed action, the staff shall summarize and respond to the comments either orally or in a supplemental written report. Prior to taking final action on any proposal for which significant environmental issues have been raised, the decision maker shall approve a written response to each such issue.

(b) Notice of the final action and the written response to significant environmental issues raised shall be filed with the Secretary of the Resources Agency for public inspection.
