Subarticle 5. Prehearing Procedures

§ 60055.24. Settlement Agreements and Consent Orders.

(a) At any time before a final decision is issued, parties, (the complainant and the respondent) may settle the matters at issue, in whole or in part.

(b) The parties may request the assistance of the hearing office in their attempts to settle the matters at issue. Upon receiving such a request, the hearing office may assign a settlement hearing officer, who is not the same hearing officer that has been assigned, to hear the merits of the case, unless the parties specifically request in writing the assignment of the latter hearing officer.

(c) The parties shall memorialize any agreement in writing.

(d) In a petition for review proceeding, if the parties resolve all issues raised by the petition, the petitioner shall agree to withdraw the petition and the case shall be dismissed.

(e) If the settlement does not wholly conclude the action, the hearing officer assigned to hear the merits of the case shall promptly inform the parties of the schedule of the remaining proceedings.

(f) Unless the parties have otherwise consented to use the hearing officer assigned to hear the merits of the case in settlement discussions, settlement discussions or offers of compromise regarding unresolved issues shall not be discussed with that hearing officer. Settlement discussions or offers of compromise shall also not be made part of the record of the proceedings.
