

Board Administration and Regulatory Coordination Unit

Division 3. Air Resources Board

Chapter 1. Air Resources Board

Subchapter 5. Emission Data, Sampling, and Credentials for Entry

Article 2. Source Testing

§ 91216. Records and Reports.

All original records made during testing requested by the State Board shall become the property of the State Board. All or part of such records may be requested by the Executive Officer at any time during or after the test period. All original records and the report of results from the tester should be provided to the Executive Officer no later than 30 days after the testing is complete. Failure to provide the required records or reports may result in disqualification of the tester for further testing required by the State Board.
