

Board Administration and Regulatory Coordination Unit

Division 3. Air Resources Board

Chapter 1. Air Resources Board

Subchapter 8. Compliance with Nonvehicular Emission Standards

**Article 2. Test Methods for Determining Compliance
with District Nonvehicular Emission Standards**

§ 94100. Applicability.

The test methods set forth in this article shall be used to determine compliance with the nonvehicular emission standards of the districts. However, where a district board, air pollution control officer or executive officer has established a test method concerning the same subject as a test method set forth in this article, the district test method shall be used to determine compliance with the district's nonvehicular emission standards.
